Memo from Gen L.K. Truscott, DD/C, dated 12 September 1957

25X1A9a

In discussion with [REDACTED] today, it was agreed that it would not be necessary to send forward agendas of NIS Committee meetings as a regular procedure if the meeting dealt largely with routine matters.

However, if in our opinion some matter was coming up that involved some special interagency coordination problem, they would be interested in receiving a phone call notification of the matter.

The office of DD/C has been placed on the distribution list to receive the minutes of NIS Committee meetings.
